Christmas for Cats

Gloria Duchin, Inc. Gives Christmas Gifts to Cats at Cat Adoption Team Shelter

East Providence, RI -- September 12, 2006 -- Santa will be paying a visit to cats at the Cat Adoption Team shelter this year! Gloria Duchin Inc., a leading manufacturer of metal Christmas ornaments and seasonal accessories, is donating cat photo frame ornaments to the first 250 cats adopted from the Cat Adoption Team Shelter in Portland, Oregon this December as a part of their "Home for the Holidays" celebration and adoption event.

Inspired by the Meow Mix House, a promotional reality show involving felines from shelters across the country, and its mission to promote cat adoption, Robyn Smalletz, an avid animal lover and President of Gloria Duchin Inc. said, "Pets are an important part of every family, and should be incorporated into your own personal holiday traditions and festivities."

"There is no better time than the holidays to welcome a pet from a local shelter into your home, and onto your tree," Smalletz continues. The photo frame ornaments will be given in honor of Ellis from the Cat Adoption Team Shelter, winner of the Meow Mix House Viewers Choice. Each cat frame ornament is plated in gold, and accented with glitter and an organza ribbon. Just add your new cat's photo and your holiday tree will be complete.

Gloria Duchin Inc. a leading manufacturer of seasonal metal accessories and Christmas ornaments. Founded in 1979, this mother-daughter owned and operated business continues to provide timeless keepsakes that exude a high-quality and artistic finesse. This "jewelry" for your tree is composed of whimsical and intricate designs that are 100% American made and retail nationally.

About the Cat Adoption Team

The Cat Adoption Team (CAT) is the Pacific Northwest's largest and fastest growing non-profit, no-kill cat shelter with its own on-site veterinary hospital. CAT rehabilitates and finds loving homes for the community's abandoned, neglected and injured cats and kittens. CAT not only partners with the community but with local county shelters, other rescue groups and veterinary offices to rescue cats that might otherwise be euthanized due to medical problems or space constraints. CAT, a 501(c)(3) publicly-supported charity, will save close to 3,000 lives this year and relies heavily on the support of the public and generous volunteers. CAT's 10,000 square foot facility includes a friendly, colorful shelter with roomy cages, free-roam rooms, a full service veterinary hospital, a little cat boutique and a broad selection of 250 cats and kittens who are looking for their forever family.
